National Network and Functional Areas

Effective, Efficient and Time Bound Delivery Mechanism

Background

The Institute of Entrepreneurship Development, U.P. (IEDUP), Lucknow is a premier Institute and Center of Excellence in the field of entrepreneurship promotion and Human Resource Development. IEDUP was established as the first state level institution for entrepreneurship development by the Government of U.P. with initial support of IDBI, IFCI, ICICI, SBI & PNB in 1986. It is an autonomous organization registered under the Societies Registration Act, 1860 and governed by its own Board of Governors comprising senior bureaucrats, bankers, academicians and eminent professionals headed by the Additional Chief Secretary, MSME & Export Promotion, Govt. of U.P.

IEDUP's work areas include entrepreneurship, industrial development, skill development, education, environment, and corporate social responsibility. Institute achieves its objectives through a well-designed interventions, i.e. Training, Capacity building, Research studies, Survey, Monitoring & Evaluation, Workshops, Seminars, Awareness programmes, Sensitization and publication etc. Our team of experts and trainers along with well-experienced visiting resource persons has been making significant contribution to the professional accomplishments.

IEDUP is well equipped with the training and research facilities comprising well-furnished class-rooms, conference hall, syndicate rooms, library, computer lab and hostel etc. along with the latest training aids and equipments including ICT facilities for on-line learning.

IEDUP enjoys goodwill and trust of a large number of state level, national level and international organizations as well as professional institutions. IEDUP has, since its inception, organized more than 10,500 Professional Activities and trained about 5.50 lakh persons comprising officers, staff, teachers, trainers, NGOs, unemployed youth, women and adolescent girls.

Centre of Excellence

In its “Industrial Infrastructure and Investment Policy, 2012” Government of Uttar Pradesh has recognized IEDUP as a Centre of Excellence (CoE) for Entrepreneurship and Human Resource Development. In this role, Institute is responsible for organizing series of Skill Development and Capacity Building programmes for officials concerned with Industrial Development.

Mission

The mission of the Institute is to promote entrepreneurial culture and entrepreneurship through well planned interventions for different segments of the society and to contribute towards economic development.

Vision

Developing Enterprising Citizens for creating vibrant economy.

Objectives of the Institute

- ❖ To identify and select potential entrepreneurs and trained them for setting up tiny, rural, small and medium scale enterprises through well planned educational intervention.
- ❖ To conduct various types of training programme for potential and existing entrepreneurs, educated unemployed youth, low-income group, science and technology graduates, village artisans and other persons.
- ❖ To conduct training programme for employment generation.
- ❖ To conduct sponsored research work in the field of tiny, cottage and small-scale enterprises and entrepreneurship development.
- ❖ To conduct workshops, conferences and seminars in MSME and our other focus areas
- ❖ To provide motivation training to potential entrepreneurs, community groups and officials of different departments who are engaged in developmental works.

IEDUP'S Strength

- ❖ Goodwill and trust of state/ national and international organizations.
- ❖ Professional team of experienced, expert and committed members.
- ❖ Expertise to design and develop need-based programs.
- ❖ Effective, efficient and time-bound delivery mechanism.
- ❖ Quality consciousness.
- ❖ Reach to the grass root level.
- ❖ Network of local organizations.
- ❖ Well-equipped Infrastructure.

Our Focus areas

The Institute's activities focus on building capacities in entrepreneurship, micro & small enterprises, vocational employable skills, technology upgradation, management, entrepreneurship education, social entrepreneurship, environmental entrepreneurship, water and Sanitation.
